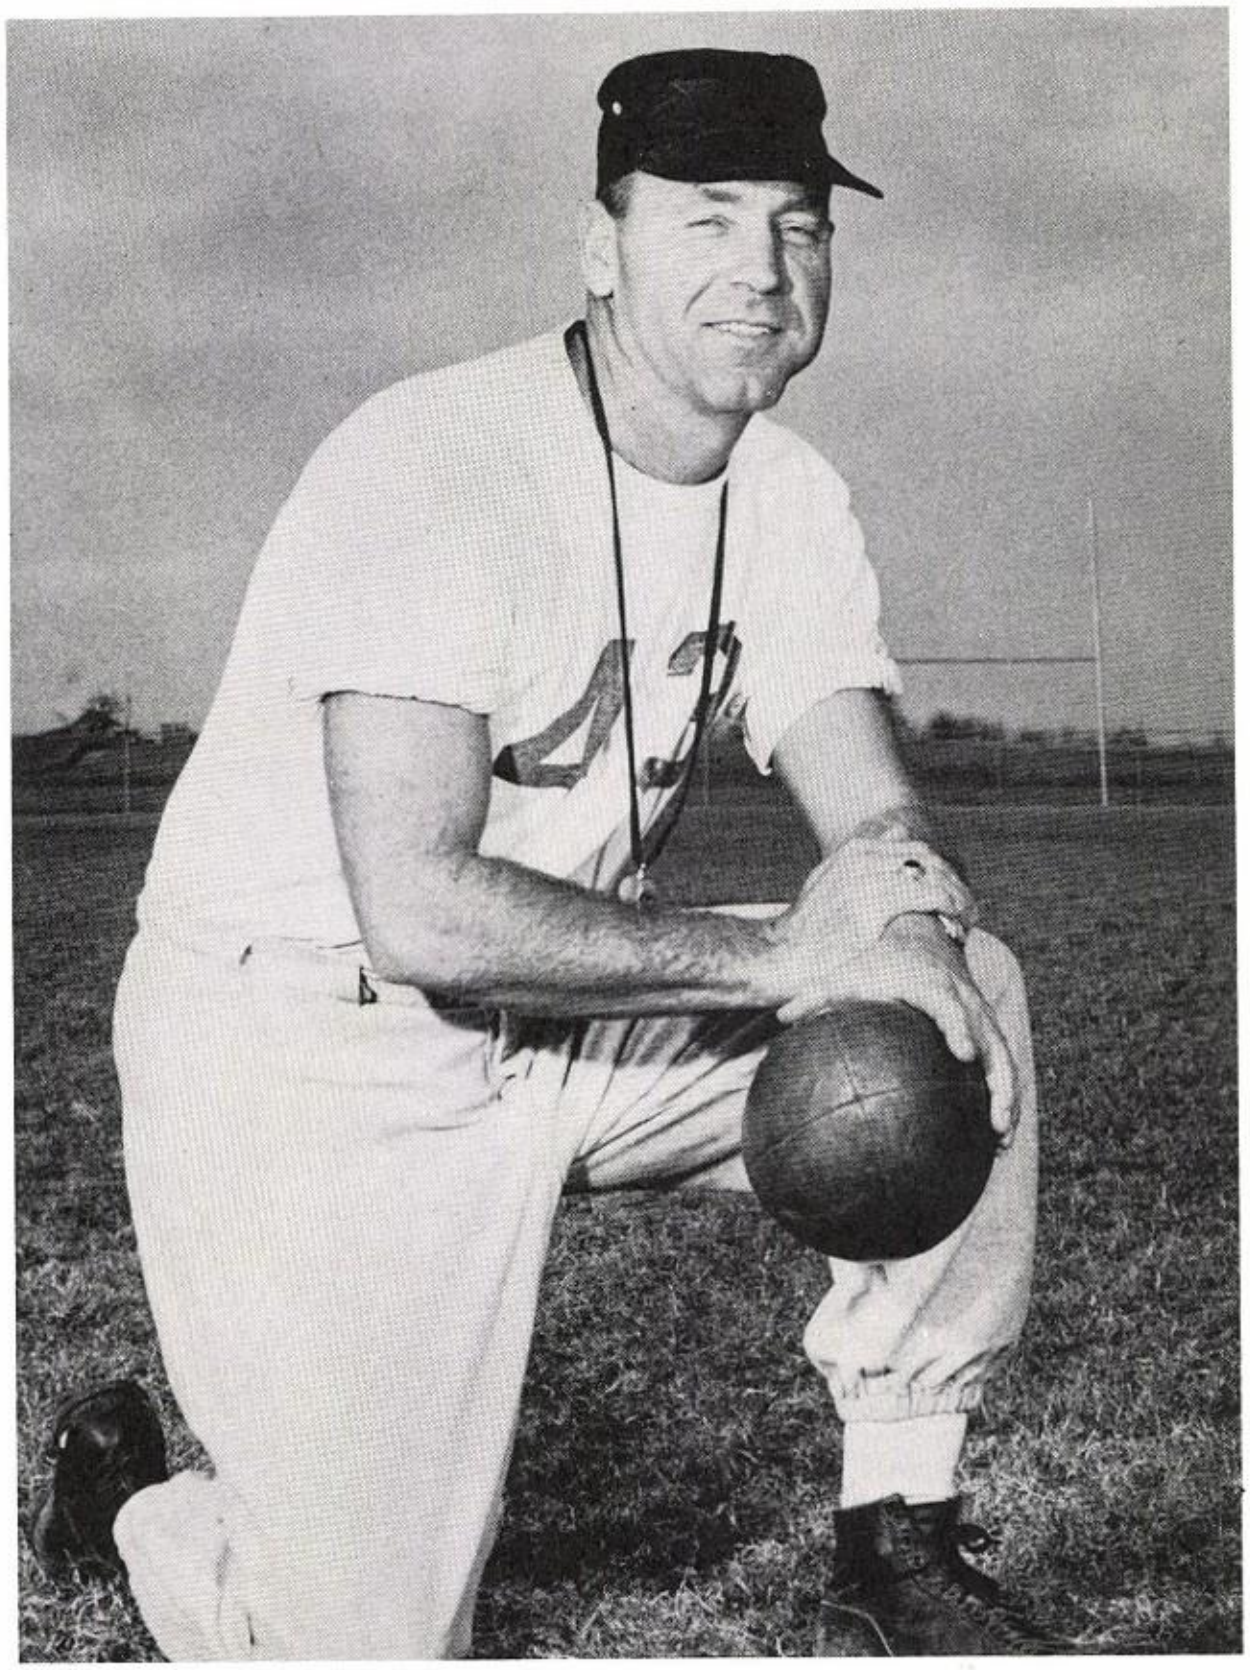
In Memoriam

Because of his constant friendship, his ever willingness to lend a helping hand, his ready smile and cheery "hello," and his high ideals we of the '59 class honor Bill Dunn, Ferris Constable. Though a memory, Bill's memory will challenge us to be better men and women tomorrow than we are today.

Psalm 23

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures: he leadeth me beside the still waters.
He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.
Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.
Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.
Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever.

Dedication



COACH A. D. SHORES

"It's not whether you win or lose that counts,
but how you played the game."

Because Coach Shores represents this type of sportsmanship to us in all activities, it is with much pride and love that we dedicate the 1959 Yellowjacket to him.

Thank you, Coach, for setting a goal toward which we can ever strive.

In Appreciation

Because you have set before us a principle which creates a challenge to...

"Do more than exist, live.
Do more than tough, feel.
Do more than look, observe.
Do more than read, absorb.
Do more than hear, listen.
Do more than listen, understand.
Do more than think, ponder.
Do more than talk, say something.

...we, the 1959 Ferris Seniors, express sincere appreciation to you - Our Parents.

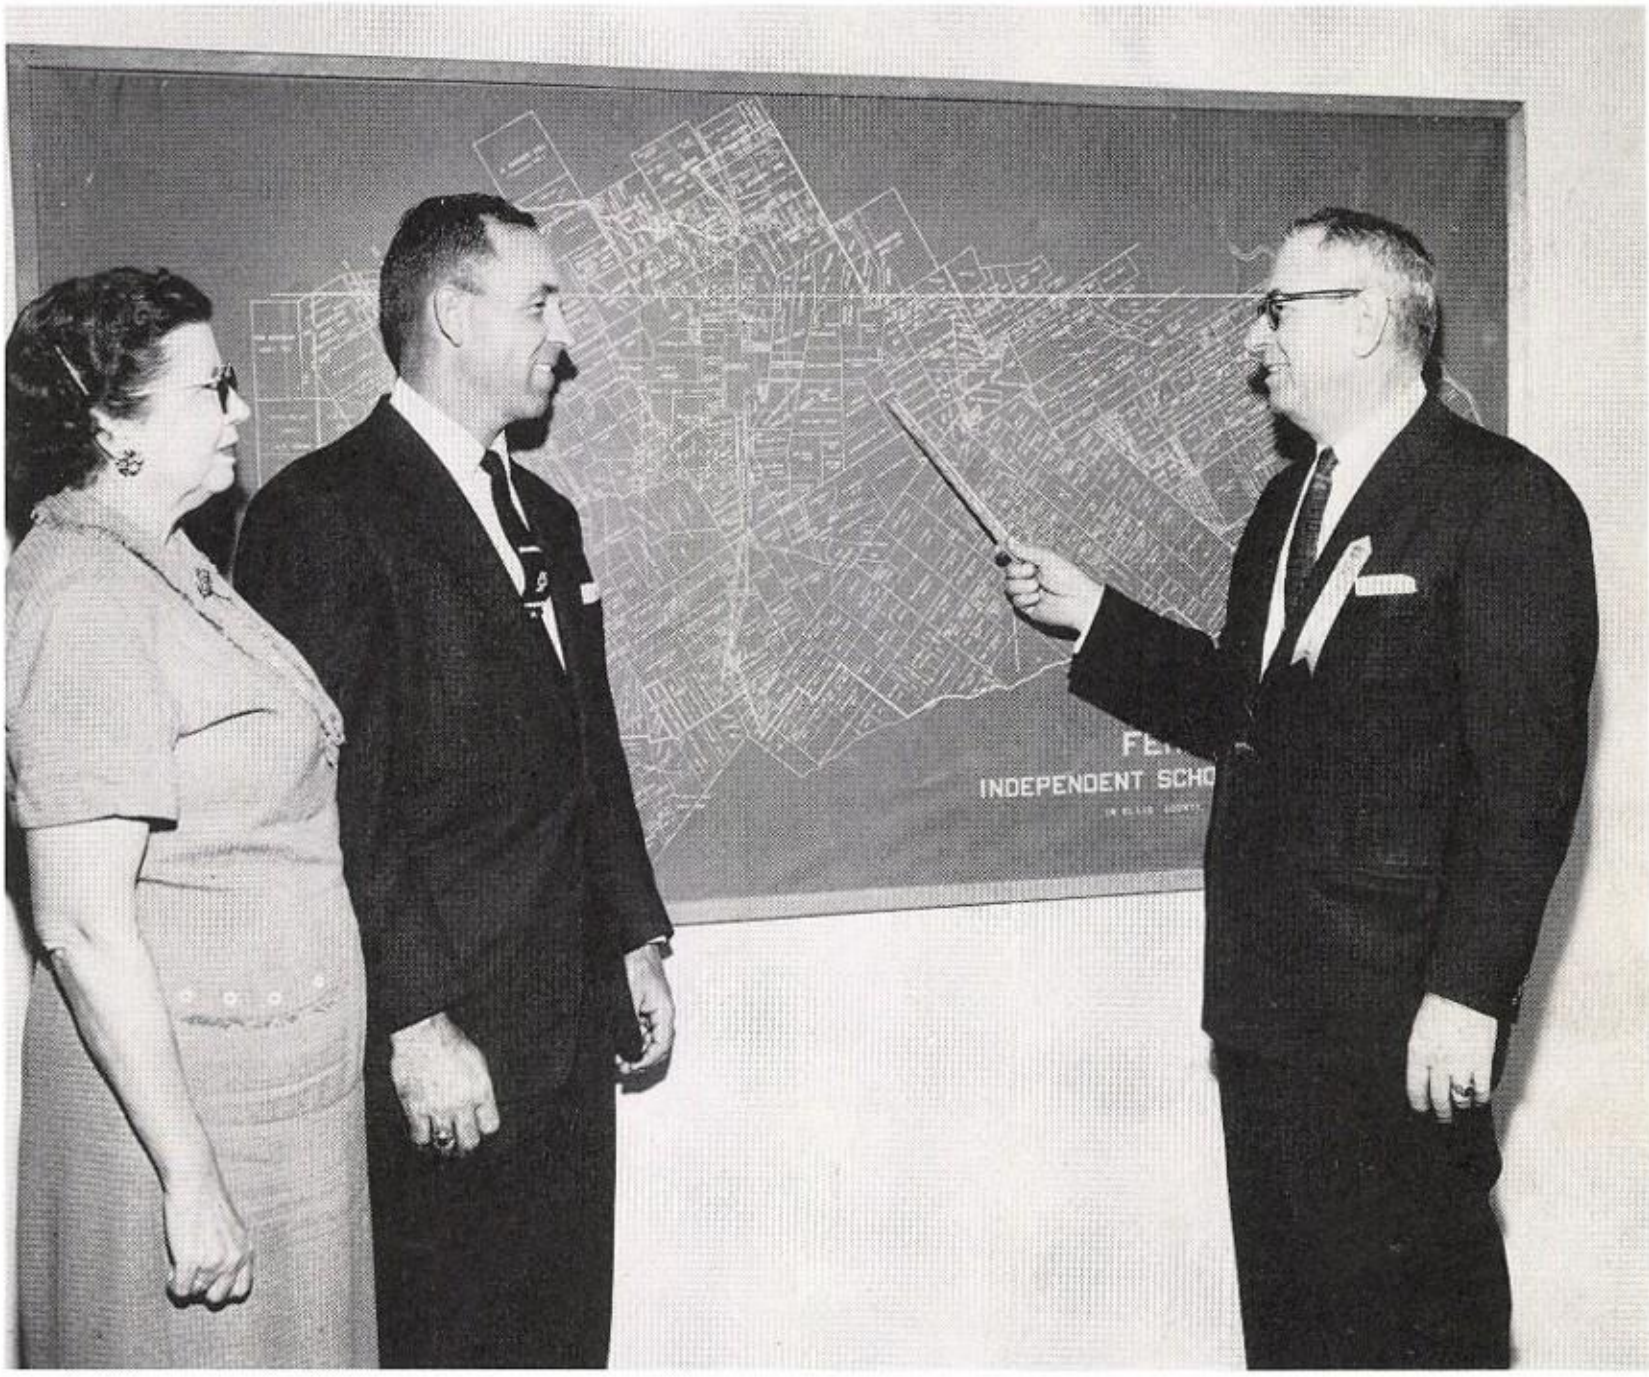
Administration



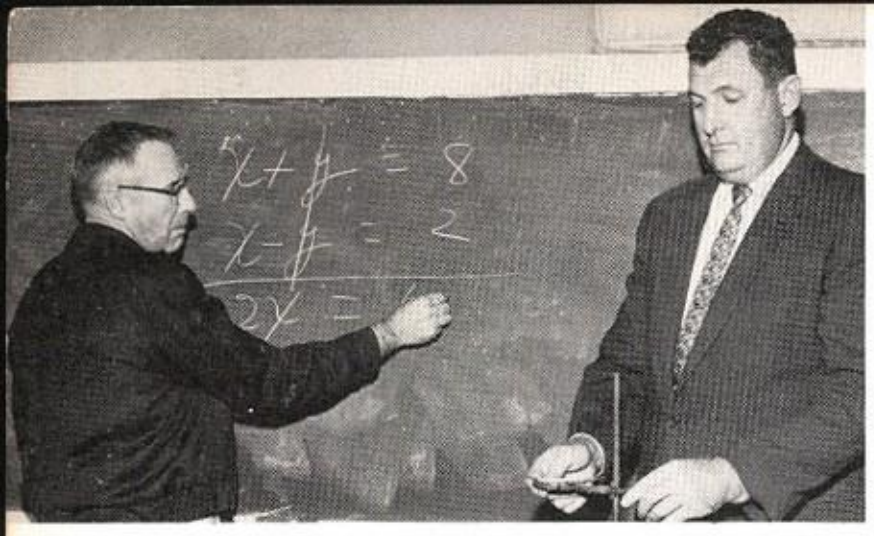
MISS HAZEL INGRAM — Grade School Principal
MR. A. D. SHORES — High School Principal
MR. R. E. SANDLIN — Superintendent

The administrators of the Ferris Schools are deeply grateful for the fine co-operation received in the past from the Board of Education, patrons, teachers and students. We can never fully express our gratitude in words; however, we want to say THANKS.

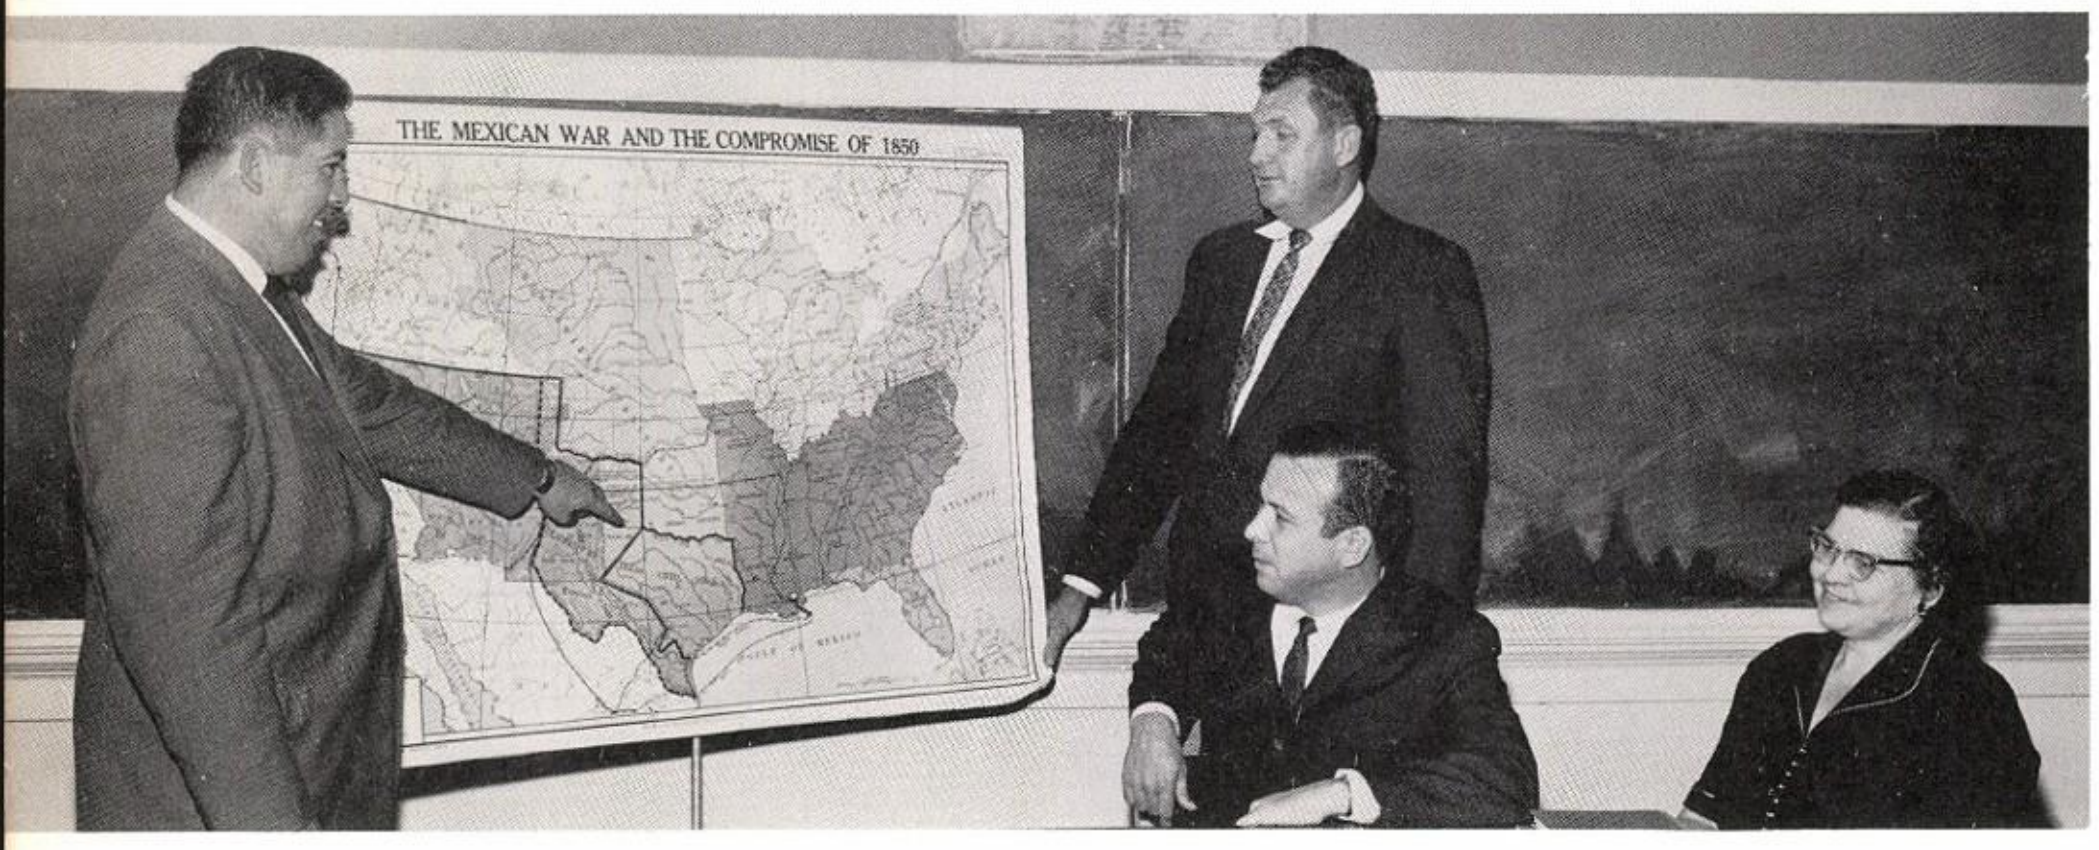
To the Seniors of 1959, may we congratulate you upon having completed your high school course of study, and may this achievement be only the beginning of your success in life.

We hereby wish to recognize the Yellowjacket Staff and sponsors for a job WELL DONE.

Ferris High School

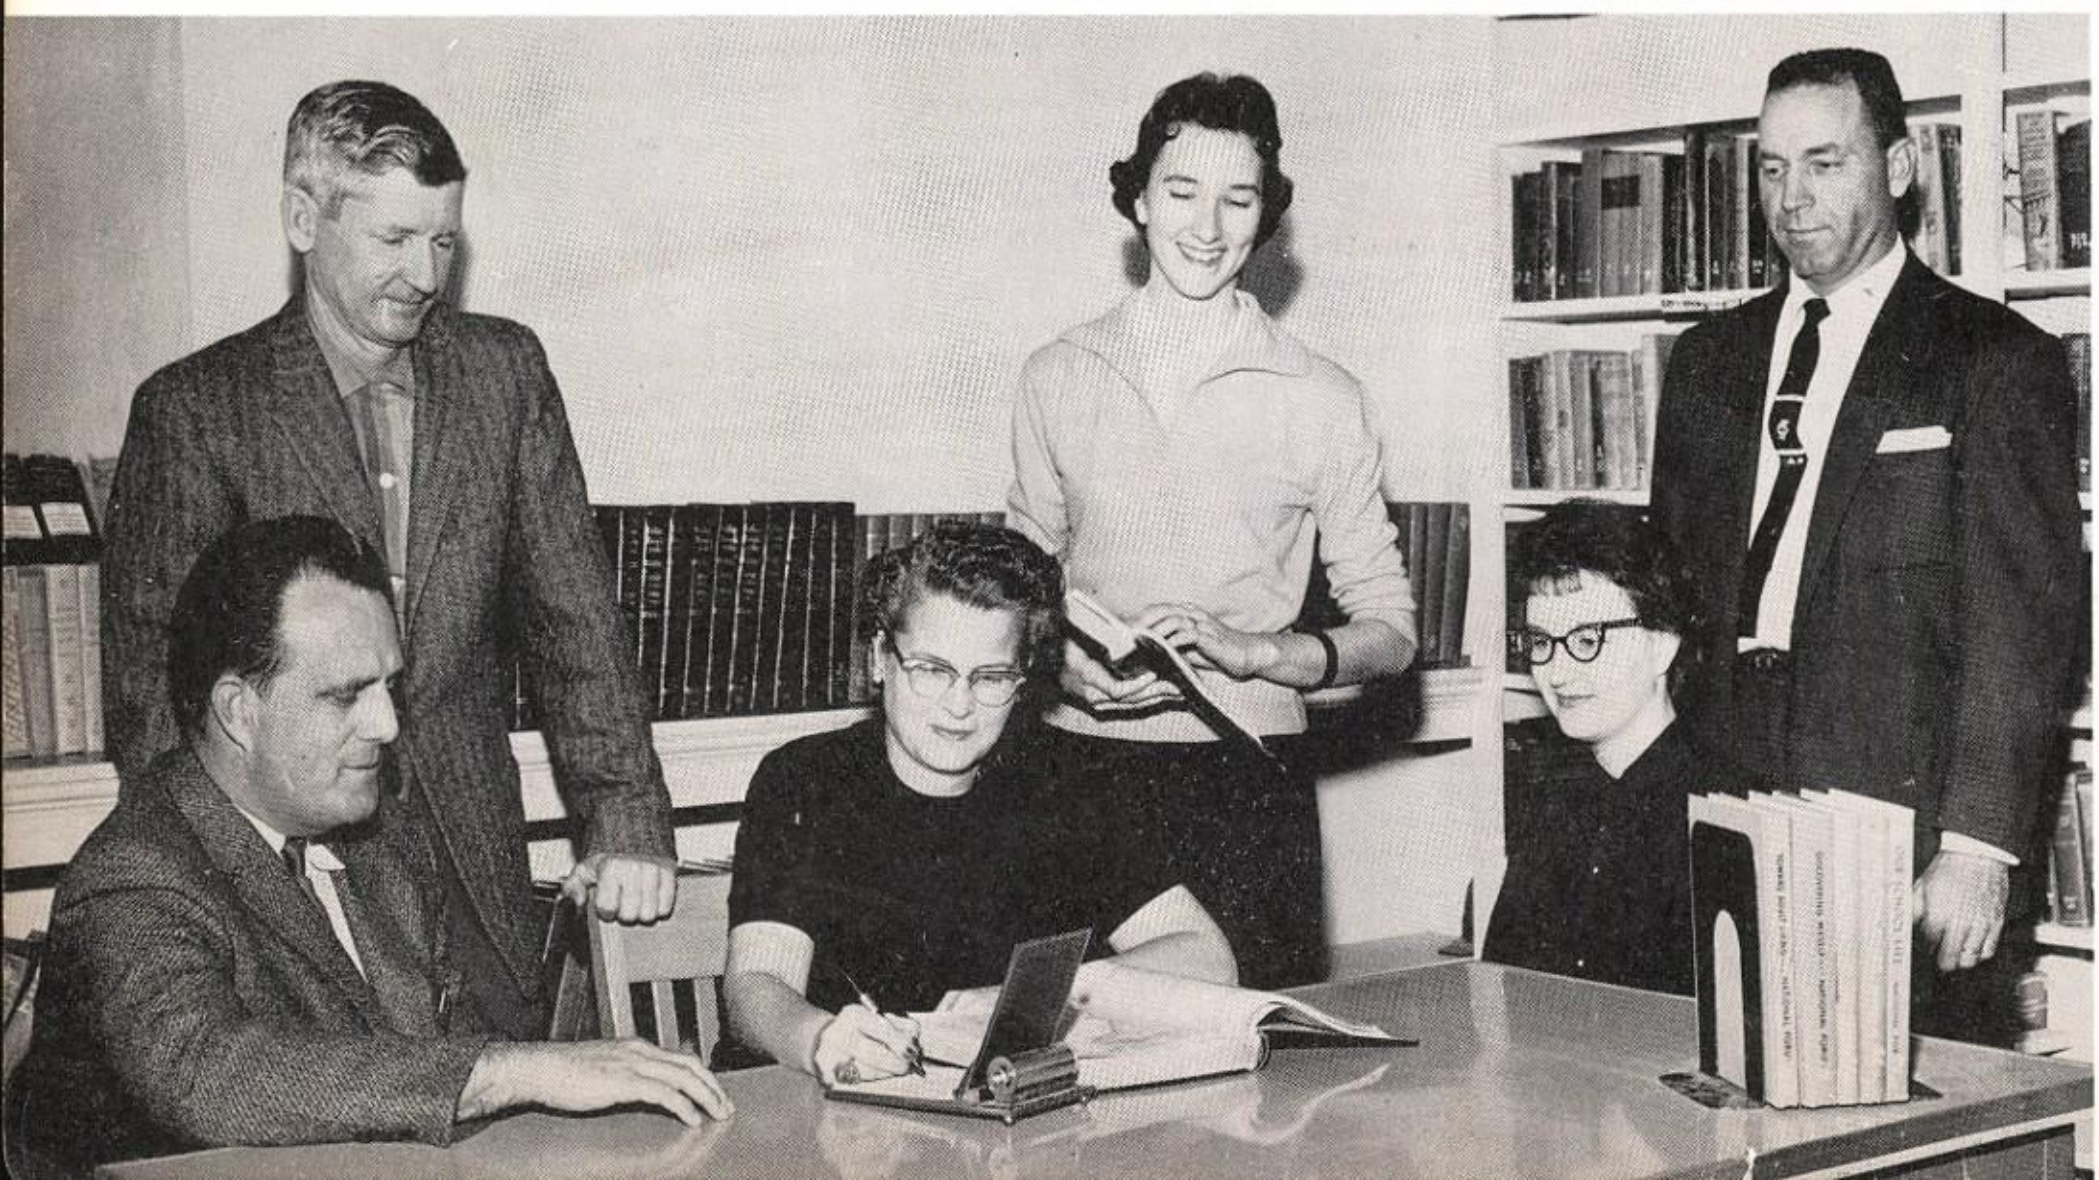


Mr. J. T. Moses and Mr. Austin Skinner help us learn to live in a world in which Science and Math play major roles.



Ever striving to enjance our knowledge of history and languages are Mr. W. P. Turnbull, Mr. Moses, Mr. H. M. Todt, and Miss Drewise Davis.

Electives taught by Mr. W. A. Dawson, Mrs. Irene Pollan, Miss Annette Wiley, Mr. M. S. Hammack, Mrs. June Deaton and Mr. A. D. Shores add variety and interest to our curriculum.



Faculty

Grade School

Good health is a must for good students. Mrs. Frances Turnbull, the school nurse, smilingly helps us achieve this goal.

Competently guiding the elementary students in their new quest for knowledge are Mrs. Florence Wade, Miss Edna Ford, Mrs. Mae Pollan, Mrs. Mary Land, Mrs. Winnie Newman, and Mrs. Lola Ford.

So many books! So much to learn! Miss Annette Wiley, Mr. Troy Maynard, Miss Hazel Ingram, Mr. W. A. Dawson, Mrs. Jim Adams, and Mr. W. P. Turnbull challenge and assist our junior high students in their learning.

Board of Education

The Board of Education of the Ferris Independent School District is proud of our school. We have endeavored to improve the facilities and curriculum in every way possible. It is our wish that each of you will select a high objective in life and will prepare yourself well by studious effort.

Your career has already begun and the grades recorded by you each year will be important in your future accomplishments.

To the seniors of 1958-59 we wish the best of success and assure you that it has been a real pleasure to associate with you as a member of the Board. With best wishes,

Fred M. Shaw

To the Student Body:

It has been a real pleasure serving as president of the Parent-Teacher Association this year and having associated again with school activities. We have enjoyed very much the programs you have presented for our pleasure and the help you have given when called upon.

We want to wish the seniors all the success possible in their new endeavors and urge them to remember "Life is wonderful... get the most out of it by practicing the Golden Rule."

With sincere best wishes,

School Personnel

Mr. J. H. Boone, the custodian, is a helpful friend to students and staff. He has been on the personnel staff 15 years.

Faithfully morning and afternoon Fayne Hamm, George Cassidy, Rex Wester, W. B. Tate, and Alfred Hutchins greet us as we journey to and from school. Messrs. Moses, Turnbull, Skinner, and Maynard also drive buses.

* SENIORS

Senior Officers

The year 1958-59 has been exceptionally pleasant because of the leadership of the following Senior Class Officers: Butch Witherspoon, President; Hollis Williford, Vice President; Sandra Clancy, Secretary-Treasurer; and Carlene Longino, Reporter.

As we cross over the thresnold to a new phase of life, we leave to those who are coming behind us all of the good times that we have had in the last four years. The final year for the seniors has been one filled with many thrills - senior rings, choosing invitations, class parties, senior play, assembly programs, and other anticipated dreams. Also, seven senior boys helped guide the football team to their fifth straight district championship, while two senior majorettes, and one cheerleader supported them with cheers and spirit. The season was climaxed by placing two men on the first team All-District, one man on the second team, and two for honorable mention.

We want to thank our sponsors, Mrs. June Deaton and Mr. M. S. Hammack, and our roommothers, Mmes. Harvey Dorman, Alfus Wickliffe, and Clell Witherspoon, for the abundant help given us.

* JUNIORS

Junior Officers

The Junior Class of 1958-59 is one of the best rounded classes in high school. Under the sponsorship of Mrs. Irene Pollan and Mr. J. T. Moses, the class highlighted the year with the Junior Play, the Junior-Senior Banquet, and a very enjoyable Christmas party in Dallas.

Class officers included: President, Randy Jones; Vice President, Donald Shaw; Secretary-Treasurer, Donna Cole; and Reporter, Jean Whittenberg. Working very hard for the pleasure and treasure of the class were our roommothers Mrs. Randall Jones, Mrs. Clyde Lindsay, and Mrs. Joe H. Whittenberg.

Seven of the Junior boys participated on the championship Yellowjacket football team, and four girls were members of the basketball team. Adding much school spirit were one cheerleader, one majorette, two flag bearers, and a number of band and pep squad members.

From this class also came a number of personalities, including the 1958 Band Sweetheart.

Our Creed

"We are the Future Homemakers of America;
We face the future with warm courage
And high hope...

For we have the clear consciousness
of seeking
Old and precious values.

For we are the builders of
homes,
Homes for America's future,

Homes where living will be the ex-
pression of everything
That is good and fair.

Homes where truth and love and
security and faith
Will be realities, not dreams.

We are the Future Homemakers of America
We face the future with warm courage
And high hope."

JACKET-JOURNAL

Volume 1 Ferris High School February 27, 1959

Staff

Questioning, listening, writing, typing, printing, stapling, selling - all are important tasks and all are capably performed by the Jacket Journal staff members.

High School staff members are: reporters - Donald Shaw, sports; Betty Hobbs, pep squad; Rosemary Smith and Jean Bookman, F.H.A.; Deward Brown, F.F.A.; Susan Renfro, Freshman; Wanda Barnett, Sophomore; Jean Whittenberg, Junior; Carlene Longino, Senior; Maudie Watson, gossip; Typists - Jane Weaver, Sandra Clancy.

For the interest of the public, the governing rule of the staff is simply "Just the facts?"

Editors

The newspaper - a must in every curiosity minded institution - is edited by Hollis Williford, senior editor and Lou Ellyn Coffey, junior editor.

Both, being vitally concerned and actively engaged in school activities, are aware of much "behind the scenes" information which adds color and interest to the paper they edit.

Since the press must serve the public, the Jacket Journal editors have for their motto "Rain or shine - News due at nine!"

Annual Staff

It has been a wonderful privilege and honor to represent my class and Ferris High School as editor of the 1959 "Yellowjacket."

As the final deadline date draws near, I humbly wish to thank all who made this yearbook possible by giving their utmost cooperation; especially, the student body, the assistant and senior staffs, the faculty, and our sponsor, Mrs. June Deaton.

It is my hope that you will always cherish the memories of the year 1958-59 and your school and friends who gave them to you.

Sincerely,

Sandra Clancy

Senior

Guided by the capable leadership of Sandra Clancy, editor, the Yellowjacket Annual Staff has cooperated to present to the 1959 student body an annual which, they trust, is filled with memories that will enrich the future years. The staff members are: Maudie Watson and Sandra Wickliffe, business managers; Butch Witherspoon, sports editor; Hollis Williford and Duane Longino, art editors; Steve Hammack, senior representative; and Paul Cook, photographer.

Assistants

Beginning to learn the joy that accompanies journalistic creation are the annual staff assistants: Jean Whittenberg and Sandra Buchanan, editors; Marilyn Lindsey and Donna Cole, business managers; Donald Shaw, sports; Caroll Jones, art; representatives, Delores Kelley, junior; Kay Nell Birdwell, sophomore; Pat Talbot, freshman; Annette Littleton and Winford Myers, photographers.

Spanish Club

"Por supuesto", But of course, these students are learning to speak Spanish! To learn the language of another land and culture not only enriches appreciation of the American heritage but also provides the mysterious ecstasy of visual travel. Carol Jones, Reese Myers, John Dorman, Helen Lemon, Osby Weaver, Jon Bush, Delores Kelley, Winford Myers, and Miss Davis enjoy these experiences daily.

Office Assistants

Collecting absentee slips, answering the phone, "chasing down" blue slips, and doing a bit of office work are a part of the daily activities of these girls without whose assistance Mr. Shores would be a busier man! They are Sandra Wickliffe, Jane Weaver, Annette Hefley, Maudie Watson, and Donna Cole.

Library Assistants

"Why not? I've only had the book six weeks!"

"Well, then it's time to put it back into circulation!"

Such is the task of the student librarians who have the responsible position of keeping the library books and magazines in good order. They are Sandra Buchanan, Sharla Smith, Annette Littleton, Mary Ann Luther, Sandra Clancy, Carlene Longino, Judy Reynolds, and Don Shaw.

Simply everyone was there. . .

Coaches

The skill of head coach Shores and assistant coach Maynard inspire good sportsmanship as well as the will to win in the Yellowjacket team.

Managers

Without the ever faithful assistance of the "always willing and constantly enthusiastic" managers, Jerry Mohundro, Jr., Willoughby, Darrell Bookman, our team would be lost in the huddle.

COACH A. D. SHORES

There is much to be said about sports, but there is more to be said about sportsmanship.

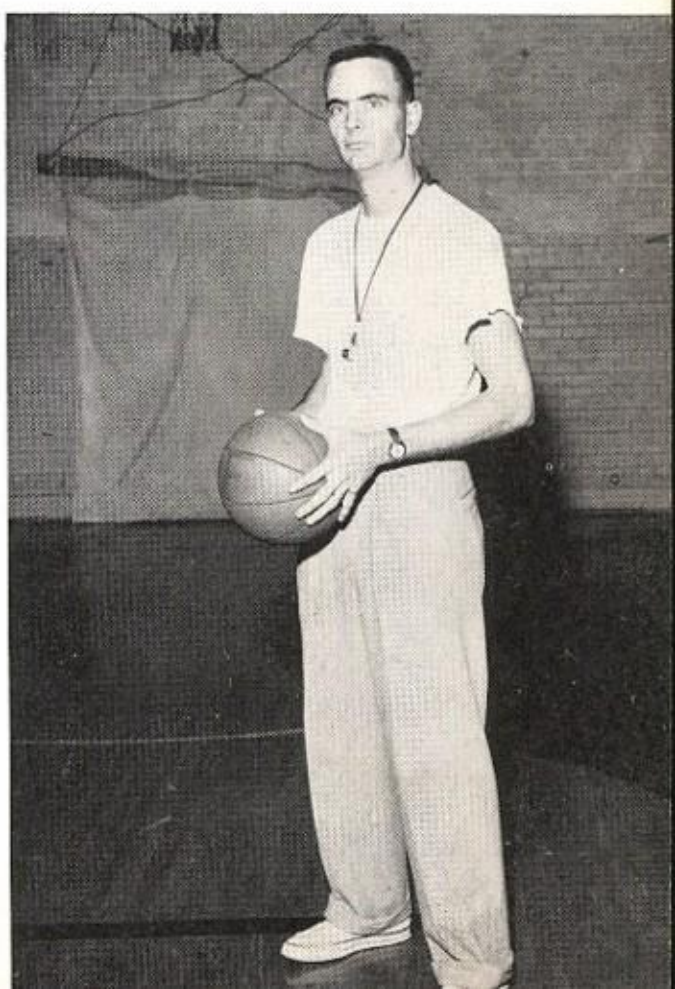
Good sportsmanship simply means to play the game to win, and to play it honorably. The lessons emphasized when being coached for games are valuable all through life. There is much to be learned on the field, that will help us to be better men and women in the Game of Life. For example, everyone should learn to take hard knocks; he may have plenty of them, all men do. A man who can rise above temporary set-backs has the qualities of success.

A poor sportsman, striving for personal gain and glory may quit the game with victory; the victory will not only be without honor but also his actions will be indelibly registered on the minds of his associates. A true sportsman, on the other hand, not only views the game as an opportunity to excel and to win, if possible, but also with thankful humility that he is privileged to JUST PLAY the game and GIVE it his best.

Let it be remembered that the final score of any game is not so important as the personal satisfaction of each player who knows that he has played the game honorably and well.

Coaches Corner

COACH TROY MAYNARD



Each year in this nation, many of our athletes are elected All-American and All-State performers. God has not given each of us sufficient ability to be included in this selected group; however, He has bestowed in us the ability to be good "sports." The practice of Sportsmanship and Christian ideals are practically identical.

Many times, throughout the athletic year, examples of fine "sportsmanlike conduct" are displayed. Each of you should endeavor at all times to conduct yourselves as you would have your fellowman conduct himself.

Twenty years from this date, spectators will not remember the outcome of an athletic contest; they WILL recall the manner in which the participants conducted themselves. Therefore, I challenge each of you to be a credit to yourself, your school, and your home by practicing the ideals of "good sportsmanship" at all times.

Basketball

A game which moves with a rapidity often exceeding the speed of the eye is one enjoyed by players and spectators, such a game is basketball. Capably coached by Troy Maynard the boys pictured below fought a gallant fight during the 1959 season, and fans lent their strength for jumps and craned their backs to help make the baskets. Though losses outnumbered wins, the season stamped the importance of playing honorably into the character of the team.
